5. CULTURAL & EXTRA MURAL

Internal (included in school fees):

We offer a Creative Arts Program (BUZZ) for learners in Grade R-3. We also offer Computer Lessons (Stimuzone) for learners from Grade R-7 as part of the school day on a weekly basis. The Grade 4-7 learners also attend art lessons at the Fine Art studio during the school day.

After school our teachers offer a variety of extra-mural activities which children have the option of participating in. Some of these extra-murals are offered throughout the year, such as Gymnastics, and others change on a termly basis. Some of the programs which have been offered this year are Athletics, Netball, Soccer, Hockey and Chess.

External (not included in school fees)

We also have external service providers who come into the school and offer Rugby, Cricket, Karate, Guitar and Ballet lessons. These services are offered at an additional fee paid directly to the service provider. Contact details of the various coaches will be supplied at the start of the first term and parents can then communicate directly with the relevant coach.

6. PAINTING SHIRTS

The learners will be using paint and other exciting mediums from the beginning of their school year. A T-shirt or an old, short sleeved shirt or an apron is ideal to send to school to ensure they do not ruin their uniform or clothing items.

7. STATIONERY

A stationery list has been sent out for the Grade 1-7 learners on the class WhatsApp groups. If you have any items remaining from the previous Grade that are in good condition please feel free to reuse them. The container on the list will be reused each year.

Please make sure all items are sent to school, labelled, on the first day of school.
